

2022 WSWO Programs Fund

February 10th, 2022

If you are a recognized school, coach, official or athlete of WSWO that holds a 2022 membership in good standing, you may be eligible to receive funding to support your sport program initiatives. The timeframe for programming runs from April 1st 2022, until March 31st 2023. Financial support allotments will be based on your program's ability to meet the needs of at least one (1) of the strategic pillars of success:

- Encourage participation through introduction to sport initiatives
- Develop athletes through the LTAD sport model
- Encourage Women in Sport
- Encourage sport diversity in sport including indigenous communities
- Drive membership to WSWO

In addition, alignment with WSWO's strategic goals and the number of participants in your program will be considered. Applications will be reviewed by the WSWO board of directors upon receipt. There will be no official deadline for applications given that the programming falls within the 2022-2023 grant year, however, funding support is limited and priority will be considered to applications received first, given they meet the above objectives.

Criteria:

- All applications must be a member, school, club, coach or official in good standing with WSWO.
- All coaches must have a valid NCCP certification in the sport of Water Ski/Wakeboard
- All participants in supported program must purchase at minimum, a recreational membership.
- All programs must show a certificate of insurance for a minimum of 5 million in general liability naming Water Ski Wakeboard Ontario as additionally insured for the program.
