[2025 TEAM APPLICATION](#)

McClintock's Ski School is proud to be the home training site of the *Ontario Water Ski Team*! For over 40 years, we have been committed to supporting Ontario and Canada's top water ski athletes. We are honoured for our role in helping these skiers continue their success and development through our [competitive training programs](#) that provide them with the knowledge they need for future National and International competitions, as well as scholarship opportunities available to [collegiate water ski teams](#) at some of the top rated post-secondary institutions across the USA.

We created the Ontario Water Ski Team program in 2016 in partnership with [Water Ski Wakeboard Ontario](#) as part of a greater initiative to build a community of young skiers in Ontario focused on striving for success both on and off the water. Ontario has a long history of water ski excellence on the world stage, and continues to do so through this next generation of skiers.

****Please note the deadline to submit your application is FEBRUARY 28, 2025!****
