[TEAM CRITERIA](#)

[2026 TEAM APPLICATION](#)

[McClintock's Water Ski School](#) is proud to be the official training home of the [Water Ski Wakeboard Ontario \(WSWO\)](#) Ontario Water Ski Team, Canada's top youth development program for competitive water skiing!

For over 40 years, we've been committed to helping Ontario's most dedicated young skiers reach their highest potential. From grassroots development to provincial titles and international competition, our athletes train in an environment that blends expert coaching, technical progress, and real community.

The Ontario Water Ski Team was founded in 2016 in partnership with [Water Ski Wakeboard Ontario](#) as part of a larger vision to foster a strong, connected community of high-performing youth athletes across the province. Our goal? To help each skier progress with purpose—both on the water and beyond. Whether it's chasing national titles, earning college scholarships, or simply gaining confidence through sport, this program is about more than skiing. It's about building character, leadership, and long-term passion!

****Please note the deadline to submit your application is [March 15, 2026!](#)****
